~~It was a trip I'll never forget. My friend David his little sister Suzy, David's colleague Kate and me set off a journey to Iceland. How do you think this strange company could ever and bizarre group of people could ever gather? David, Kate and me work in the same university on the faculty of geology. Three of us were sent to Iceland.~~

It was a trip I'll never forget. My friends Jack and Kate, my little sister Suzy and me were spending our holidays in Iceland. It is a country with a beautiful, bewildering nature and wonderful and bizarre volcanoes. But why actually this country impressed me most of all is the thing that I saw the real volcano's eruption there!

One day we made up our minds to have a picnic in the nature. My friend Jack is a good person to go on holiday with. He hired a car and took a lot of useful things with him. But for his warm clothes we would have trembled with cold! ~~But that day was a bit nervous~~ Though Jack <sup>has</sup> a calm character, but that day he felt a bit nervous. He intended to admit that he had fallen in love with Kate. Kate looked especially beautiful that day dressed up with a white <sup>sparkling</sup> coat. So while I was cooking the food, Kate and Jack were playing with Suzy. Suddenly Jack said quietly: "I've always loved you, Kate!" and kissed her. Kate felt a bit confused, but then shouted with tear: "Lava is flowing!" It was the most unsuitable time for the volcano to erupt. ~~leaving we immediately~~ In a minute ~~we were~~ driving away from pursuing lava flows. Jack and Kate felt relief. I was ~~scared~~ and scared, but it was really challenging and exciting for Suzy! ignorant
